## ATTENDANCE

At Queenborough School and Nursery, we encourage high levels of attendance and punctuality as these are key factors in supporting children to achieve the best they possibly can. We recognise that children are occasionally unwell and unable to attend school and that specific and unusual circumstances can, at times, cause children to be arriving to school late. However, where possible, it is essential that children attend school regularly as poor attendance can impact upon their levels of attainment and hinder progress with their learning. Holidays are not authorised during Term Time.

## READING

In Year Five, the teachers will continue to read with your child and change their books regularly to ensure your child continues to become a confident and fluent reader. It is important that your child brings their book into school daily so the adults can listen to your child as often as possible. Reading with your child at home will help your child to develop reading strategies which will help them to achieve the best they possibly can, try and make sure that your children are reading every day.

## COMMUNICATION

Effective communication between parents and the school is essential in order to build good relationships which will help to support your child's learning. If you have any concerns or worries about your child then please in the first instance speak to your child's class teacher. If you feel you require further support, then please speak to a member of the Senior Leadership team or Mrs Clare Bush, our Designated Safeguarding Lead and Well Being and Family Support Officer. We are always happy to help you
