Principals

Spring/summer menu 2018

A little bit about Principals

Principals is one of the UK's longest-established school caterers and has been serving delicious fresh food to children for 26 years.

With all this experience under our belts we really know our onions, sourced, like much of our produce, from British farms!

Our food

We are fanatical about food and healthy eating and are proud of our 'cook from scratch' approach. Most of our vegetables, meat and eggs come from Kent and our suppliers are certified to national standards that ensure high quality and excellent animal welfare.

Our menus are created to make the most of seasonal ingredients and are accredited to the Food for Life standard by the Soil Association. We will offer two hot choices daily (meat or fish and vegetarian) and our salad bar is legendary, with a mixture of simple and big bowl salads and lots of delicious dressings and toppings.
