

Home School Agreement- Nursery

Our Mission Statement	At Queenborough School and Nursery, every member of our happy community is valued, nurtured and kept safe. Our contributions, big or small, are celebrated, allowing each of us to feel a sense of worth and ownership of our school. We are always ambitious, constantly striving to improve, giving and accepting only our personal best in everything that we do. We can work independently, as well as part of a team and our relationships are built on high moral standards and the mutual respect that underpins our community.		
Our Behaviour Code	This behaviour code applies to all members of the school community, including staff, children, family members and visitors: <ul style="list-style-type: none"> • We will respect and value every member of our community and welcome every visitor. • We will take ownership for our learning and be responsible for our own choices. • We will try our best in everything that we do. • We will keep ourselves and others safe and move safely around the school. • We will respect the school environment and learning resources. 		
	The school will...	As a pupil I will...	As parents/carers I/we will...
Our Work	Provide a creative, interactive and stimulating curriculum and a learning environment that meets the needs of all learners and fosters curiosity and a love of learning.	Try my best in everything I do and be open to trying new things.	Talk to my child about their experiences in Nursery, and engage with Tapestry to see what my child has been learning.
Our Home/School Links	Work collaboratively with parents and carers to support children's learning and wellbeing and report on learning and progress throughout the year.	Talk to my parents or carers about my time in Nursery and tell them about the exciting things I have been doing.	Attend open afternoons and parents' evenings to discuss progress and well-being of my child and share relevant information with the Nursery.
Our Behaviour	Promote and reward good behaviour and tackle inappropriate behaviour when necessary. Use a restorative approach to behavioural incidents and ensure all children are listened to. Model positive relationships and interactions at all times.	Follow our school's behaviour code. Be kind, caring and helpful to everybody.	Talk to my child about making the right choices at Nursery. Uphold and respect the Online Safety Policy and ensure no pictures videos, social networking posts could upset, offend or threaten the safety of any member of the school community.
Our Attendance, Punctuality & Uniform	Check attendance and punctuality regularly and contact parents or carers with any concerns.	Come to Nursery every day and on time, except when I am not well enough.	Ensure my child's attendance is above 96% for the year and that my child is in school on time every day in full school uniform and that they have their PE kit in school.
Questions or concerns	Keep parents and carers up to date with any concerns that we might have or any issues that have occurred.	Ensure that I let Nursery staff know about anything that is worrying me.	Approach Nursery staff first with any issues or concerns that I have and support them in resolving any issues.
