

# Why don't snakes have legs?

## Home Learning Tasks

### My Favourite Reptile

Carry out some research about different reptiles. Which reptile is your favourite? What have you found out about it? Can you draw a picture and write some facts about the reptiles using your phonics.

### Snakes

Can you create a snake with a new pattern on its skin? You can be as creative as you want with this homework task.

### Scrambled Snake

Can you invent a recipe for making scrambled snake? Can you take some photos of you making your recipe? What does it taste like? Maybe you could draw a picture of your design or write a list of ingredients?

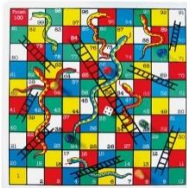

### Reptile Hunt

Can you visit a local pet shop or take a walk on the wild side to look at the different reptiles? What reptiles can you see? Can you take photos or draw pictures of them and create your own reptile book?

### Snakes and Ladders

Have you ever played snakes and ladders? What happens when you get to a snake or a ladder? Can you practice counting and moving the correct number of spaces?

### Habitats

Can you make a log pile/leaf house where a snake or reptile might like to live?
