

9. Why do you think Anne has remained a popular historical figure?

**Pupil's own response, such as: I think Anne has remained a popular figure because she was a central figure in an important time in history. Also, there is the romance of her falling in love with Henry as well as the drama of her downfall and execution – it was very rare for a queen to be executed. She was also mother of Elizabeth I who is also an important and popular figure.**
