Welcome back to School!

Welcome back Yellow and Orange Class! We have missed you lots over the last few months so it has been lovely to catch up this week. It has been brilliant to see so many children getting back into the routine of school and working hard already. We are all very proud of how you've settled in and adapted.

Contacting us

If parents and carers need to get hold of the class teachers, the quickest way to do so is through our class email addresses:

Miss Thomas / Miss Mumford in Yellow Class: yellow@queenborough.kent.sch.uk

Mrs Chislett in Orange Class: orange@queenborough.kent.sch.uk

Please send your child's class teacher an email so we know how to contact you in the future. We would like to share homework ideas and other useful information through email this year, as a way of going paperless.

Lockdown Learning

The children were excited to tell us all about the work they produced at home in Terms 5 and 6, as well as what they got up to during the lockdown. We would like to share and celebrate some of the learning that took place during lockdown. If you are able, please email a picture of some work that the children were proud to produce, or any other achievements, visits or outside learning that they particularly enjoyed during their time at home.

Many thanks for your continued support,
