

To be able to identify and assess different levels of risk.

Identifying risks

What does the word risk mean?

The possibility of suffering harm or loss; danger.

2. A factor, thing, element, or course involving uncertain danger

Can you order the following tasks into a list starting with the least risk to the most?

Playing a game with a 15 age restriction

Staying up late

Not wearing a coat during winter.

Crossing the road

Cleaning your teeth

Play fighting with a friend.

Talking to a stranger

Making a cup of tea

Using scissors to cut out.

Task

You need to create a time line of your day and then circle any events in red that could involve you having to identify where a risk/risks may occur and how you could think about managing them.

You then need to think about how you are going to manage these risks in a few sentences underneath your timeline.
