

Year Four End of Year Newsletter

Dear Parent / Carer,

We don't know where to begin- what a year! In spite of the constant disruptions, lockdowns and bubbles bursting the children have amazed us time and time again. Their resilience and perseverance throughout these challenges proves what mature, hardworking young people they are. Over the course of Year 4, we have made so many wonderful memories, from trekking to the summit of Everest, to diving to the deepest depths of the ocean. The children's knowledge and enthusiasm has never failed to blow us away, we are so very proud of each and every one of them. We wanted to take this opportunity to say a huge well done and thank you to you, for your unbelievable support and dedication towards the children's learning. We couldn't have done it without you! Have a wonderful summer!

Purple Class will be taking Miss Vaughan and Ms Champ with them into Year 5 as they become Indigo Class

The adults are so excited to welcome you into Year 5! 🌟😊

Next term's Theme- Alchemy Island

As the children enter their first term in Year 5 they will be going on a fantastical journey, exploring the mysterious sounds and hidden treasures of Alchemy Island.

Reading

"I think it's the books that you read when you're young that live with you forever." - J K Rowling

Now that shops and other services are reopening, take the time to explore a local library or book store to discover a new adventure! While we encourage you to go outside and enjoy the sunshine as much as possible, we would like to remind you of the importance of reading whilst you are away. We cannot wait to hear about the stories you have explored or the people and places you have visited!

Friendship

These are our three concepts for next term as well as some additional vocabulary we will be using in our learning. Have you heard of them? How do they make you feel? Can you find out what they mean?
