23<sup>rd</sup> February 2021

Dear Parent/ Carer,

I hope you had a restful half term with your children. We are pleased to see that the snow has gone and there are signs of Spring emerging!

I am sure you all saw the Prime Minister's announcement last night regarding the full re-opening of schools from Monday 8th March. We are delighted that we have a date to work towards and we look forward to welcoming all children back to school. Until that point, the school can only admit children whose parents are Critical Workers and those who are considered to be vulnerable.

Over the course of this week, the Senior Leadership Team will be working with all staff to make arrangements for the children's return. As soon as a plan is finalised, we will share this with you so that you have adequate time to make arrangements. Thank you, as always, for your patience.

I know that some of you might have concerns about how much catching up the children will have to do when they come back to school. Please be reassured that staff are fully prepared for the challenge of settling the children back into school and filling the gaps of missed learning. The children's wellbeing will be our primary concern upon their return. Please try not to worry!

We would ask that you begin to speak to your child about returning to school, reassuring them about any worries that they might have. It would be really beneficial to re-establish a sense of daily routine with them in the next two weeks, ensuring that they are getting up and dressed and engaging with as much online learning as feels appropriate. Please let them know how much we are looking forward to seeing them!

Thank you, once again, for your patience as we finalise our re-opening arrangements. I look forward to confirming these with you as soon as possible. We look forward to seeing all our families again very soon!

Yours sincerely,

Mrs B Conroy
