

Year R, Term Five - Are we there yet?

This term we will go on fantastic journeys and see how many forms of transport we can use.

We will think about the transport we have taken to go on holiday. We will use maps to think about where we would like to visit next and think about how we might get there. Using our imaginations we can go anywhere we like! We will also think about the things we might need to pack for these journeys.

Key Vocabulary this term:

travel
journey
vehicle
transport
map
safety
holiday
world
distance

Key Questions this term:

How do we get to different places?

How do you get to school?

Where in the world would you like to go?

How would you like to travel there?

What would we need to pack?

How can we travel safely?
