Purple Class Acceptable Use Policy

I understand that this Acceptable Use Policy will help keep me safe and happy online at home and at school.

- I only use the internet when an adult has given me permission.
- I only click on links and buttons online when I know what they do.
- Just like my toothbrush, I will not share my password with anyone!
- I will always log out after using a device.
- I know Queenborough School can see what I am doing online when I use the computers and tablets.
- I always tell an adult if something online makes me feel upset, unhappy, or worried.
- I only talk with and open messages from people I know.
- I only use websites and search engines that my teacher has chosen.
- I know that not everything or everyone online is honest or truthful.
- I will not access or change other people's files or information.
- I will protect myself by not telling anyone I meet online my address, my telephone number, my school/setting name or by sending a picture of myself without permission from a teacher or other adult.
