

End of Term 4

We would like to start off by saying a big well done for settling back into school so well this term. You have worked so hard to ensure your learning has continued easily.

We really enjoyed all of your learning about 'The Iron Man' and seeing all of your fantastic art work and writing you created. We were especially impressed with your onomatopoeia poetry and the musical performances which came with these. We also loved how well you engaged with our other book 'The Tin Forest' and were blown away by your fantastically emotive diary entries which linked to this.

You have understood fractions well and engaged with the practical and written aspects when learning this. Well done for all of your hard work!

Mr Knight and Miss Steward

Term 5!

We are very excited to introduce next terms theme to you and cannot wait to see your amazing work in this. We will be learning about 'Tribal Tales!' This is a very historical theme where we will go back in time to the Stone age, Bronze age and Iron age!

We will be creating some fantastic factual pieces of writing in your Literacy lessons. I wonder if you will share some of these facts with your adults?

In Maths, we are thrilled to be continuing to learn more about fractions, also beginning some more work on time. We cannot wait to see how much you already know and then deepen this knowledge with you!

In Science, we will be beginning a new topic called 'Light' This will enable us to learn all about light and dark, create some shadows and even try to guess the shadow!

As you know, as well as our theme of 'Tribal Tales' we also have three words to focus on within this. This term, those words will be 'Pride, Contribution and Beauty.' I wonder if you can have a go at finding out the definitions of these words before we return to school?

Both our knowledge organiser and glossary of key vocabulary are available by [clicking here](#).
