At Queenborough School & Nursery our Attendance & Punctuality Policy is available on our School Website or by paper copy, upon request. We understand that over the last 18 months, maintaining high attendance has been challenging. However, as the world hopefully returns to normal, we would like to encourage all families to ensure good levels of attendance. We would love to see 100% attendance for all our pupils but the Government expectation is that all children have at least 96%. Regular attendance is essential to the all-round development of your child.

It is important that you inform us as soon as possible if your child is going to be absent from school for any reason.

We would also like to remind you that if your child is absent because they have been sick, they need to stay home. We do not expect to see them back for 48 hours after their last bout of sickness.

Thank you
