

Year One End of Term Six Newsletter

What a year it has been! A massive congratulations to the Year One children for such a successful year despite all of the disruptions. We are sure you will agree that the children have demonstrated resilience and perseverance during these challenging times and we couldn't be more proud of the maturity they have shown. We have had a fantastic year with your children and they have been a pleasure to teach, time certainly flies when you are having fun! We are going to miss teaching your children but look forward to seeing their smiling faces around the school as they begin their Year Two journey in September.

We would also like to take this opportunity to say a massive thank you to you for your continued support, we couldn't do it without you. We hope that you have a well deserved rest with your families and enjoy the sunshine (hopefully).

Enjoy your summer holidays and make some fantastic memories!

Miss Gregory, Miss O'Connor and Mrs Crouch

Reading

We would recommend that you continue to share stories with your child over the summer holidays so that they continue to practice applying their phonological knowledge and continue to develop their fluency. We have uploaded a range of books for you to share with your child over the summer holidays on the Collins EBooks website. We also read the great news that Libraries are reopening and we are sure the children would love to visit to select their own books.

Term 6 you have been Roar-some!

Year Two

The children's Year Two journey will begin on **6th September 2021**. Both of the Year Two Classrooms are located in the mobiles at the bottom of the playground.

Blue Class will be in Orange Class with Mrs Chislett.

Pink Class will be in Yellow Class with Miss Gregory.

The Term One theme in Year Two will be 'Muck, Mess and Mixtures'. The children will have the opportunity to learn about a range of different artists and have the opportunity to recreate some of their famous artwork! Messy fun is the best fun, right?

We think the children are going to absolutely love showing their creative side and we cannot wait for September!
