

End of Term 6!

WOW! We cannot believe that we have reached the end of what has been another strange school year. We are so proud of all of the children for their hard work and determination in coming back into a school routine. Every single one of you should be so proud of what you have accomplished this year and how much effort you have put in. We are definitely proud!

We have really enjoyed going through your Year 3 journey with you and we will miss you next year. We think back to our very first theme 'Tremors' and it is amazing to see how far you have come from that. We have loved teaching you 'Scrumdiddlyumptious' this term, making different foods and seeing some of you come out of your comfort zones to taste new food.

It has been great to see you take on the concepts of leadership and competition this term. You did a fantastic job in the cricket competition and sports day. Now, it's time to really focus on transformation and we know you are all so ready to move on into your Year 4 journey.

Have a lovely summer holiday and keep safe!

Miss Steward and Mr Knight

Transforming to Year 4!

As you know, when you come back in September you will be in Year 4. Excitingly, your Term 1 theme is going to be 'Blue Abyss.' This theme is all about the deep depths of the ocean. You will learn about different species of sea life as well as the layers of the ocean. We wonder if you might like to find out some facts about this before you come back! Your Year 4 teachers look forward to hearing these facts.

Reminder of new teachers:

Red Class will become **Purple** Class.

Your teacher is Mr Knight and your TA is Mrs Webb.

Green Class will become **Jade** Class.

Your teacher is Miss Mumford and your TA's are Miss Stone and Miss Hicks.

Reading:

We know that you are going to be having lots of fun during the summer months, but we would love it if you could fit in some reading.

We wonder if you could find an interesting place to read?

Perhaps challenge yourself to read in different places and share these with your new teacher.

Some suggestions- the beach, in the pool, on the swings.

Twitter:

Why don't you share some of your summer holiday snaps with your new teachers?

Summer Safety

We wish you a very happy and safe 6 weeks holidays. Please remember; Wear a hat, apply sun cream, sunglasses and keep hydrated!

But most of all HAVE FUN!
