

Dear Parent / Carers,

Can you believe it is the end of Term Six and we are beginning our Summer break?

We have been busy preparing your child for the exciting move into Year One. We have completed a topic called 'Moving on', where we have celebrated all of the things that we are great at and have been thinking about the exciting things ahead!

We are so proud of the progress each and every child has made over this very strange year and although we shall miss them all, we know that they will have a wonderful year with their new teachers. Well done Gold and Silver Class.

We would like to wish you all a wonderful Summer break.

Mrs Adams, Mrs Barton and Mrs Heckley-Smith.

Miss O'Connor and Mrs Crouch have been to visit Reception this Term to read them stories. This was so lovely! They also introduced some very exciting topics for Year One. It has been wonderful for the children to meet them.

 They would love to hear about your Summer holidays. You can post pictures, writing or photos on Tapestry to share when the exciting journey into Year One begins!

Have a wonderful safe summer!

In Term Six we had a visit from the RNLI to talk to us about being safe on the beach. Remember to swim somewhere safe and always with a grown up. Look for the red and yellow flags to swim safely when the life guards are there. We talked about inflatables on the sea. Try not to take them to the beach, if you have one make sure that a grown up has a string attached to the inflatable and then tied securely to the grown up. We saw a teddy with the rope tied to his arm to remind us of this.

We talked about things you need at the beach, such as sun cream, shade, water and a phone. If you see someone in trouble a grown up will call 999. Look for the information signs on the beach so that you can tell the coastguard where you are.

We also talked about not playing near cliffs.

We loved the teddy bears who showed us how to be safe.

Whenever we have visitors at Queenborough, they are always so impressed with our children. Reception, you sat so beautifully and asked really thoughtful questions.

We are super proud of you.

Can you tell your grown ups what you have remembered?

Have a wonder Summer, we can't wait to hear about your adventures when you return to school in September!

We have now covered all of our sounds from our phonics sessions in Reception, the children have done so well!

Don't forget to keep practising the sounds as well as the tricky words in your little pots over the Summer holidays, ready for Year One!

You can revisit sounds, play games and download resources for phase 2 and 3 here.

Super Sports stars!

We were so amazed at the sporting skills, shown by our Reception children, during their Sports Day. Not only did they all try their best, but they were such fantastic team players, cheering for their friends and showing amazing perseverance!

They were all Superstars!
